Spring Half Term 1 Extra-Curricular Clubs

Dear Parents/Carers,

It has been fantastic to see such a high number of children enjoying the different clubs again this half term. On the next page there is a timetable for the clubs that we have organised for Spring 1. All clubs will start on **Tuesday 7th January** and they will finish on **Friday 14th February**. Places are limited for each club so children will be allocated spaces on a first come first serve basis. You are able to start booking places for all of the clubs before Christmas.

To book a place for the netball clubs or board game club, please sign up to the club lists in the school office. To book a place for a club run by an external provider, you will need to contact the organiser directly. The organiser will inform you about how to pay online.
