Spring Half Term 2 Extra-Curricular Clubs

Dear Parents/Carers,

It has been great to see even more children enjoying the different clubs this half term. Currently, 100% of our Key Stage 2 children attend at least one club which is fantastic! On the next page there is a timetable for the clubs that we have organised for Spring 2. All clubs will start on **Monday 24th February** and they will finish on **Thursday 26th March**. Places are limited for each club so children will be allocated spaces on a first come first serve basis. You are able to start booking places for all of the clubs before half term.

To book a place for the netball clubs, please sign up to the club lists in the school office. To book a place for a club run by an external provider, you will need to contact the organiser directly. The organiser will inform you about how to pay online.
