Summer Half Term 1 Extra-Curricular Clubs

Dear Parents/Carers,

We have really missed having our clubs in school! I am really pleased to inform you that we are now able to start our club timetable again after Easter. There will be a few slight changes to our club provision to ensure that the clubs are delivered safely. For now, each club will be for one class group so that there isn't any mixing between classes. We have planned to change the clubs offered to each class after May half term so that each class has a chance to try a different sport.

On the next page there is a timetable for the clubs that we have organised for Summer Term 1. All clubs will start on **Monday 19th April** and they will finish on **Friday 28th May**. Places are limited for each club so children will be allocated spaces on a first come first serve basis. You are able to start booking places for all of the clubs before the Easter break.

To book a place for a club, you will need to contact the organiser directly. The organiser will inform you about how to pay online.
