

I like talking
about the past.

Historians are learning...

To know about my own life-story.

To know how I have changed.

To know about figures from the past.

To know some similarities and differences between things in the past and now,
drawing on experiences and what has been read in class.

To talk about the lives of the people around us.

To know about the past through settings, characters and events encountered in
books read in class and storytelling.

At the end of the year Historians can...

Talk about the lives of the people around them and their roles in society.

Know some similarities and differences between things in the past and now,
drawing on their experience and what has been read in class.

Understand the past through settings, characters and events encountered in books
read in class and storytelling.
