

I am interested in
the lives of others!

Philosophers are learning...

To know about family structures and talk about who is part of their family.
To identify similarities and differences between themselves and peers.
To know about the village the school is in.
To know about people who help us within the local community (including emergency services).
To know about features of the immediate environment.
To know that there are many countries around the world.
To talk about how Hindus celebrate Diwali.
To talk about the Christmas Story and how it is celebrated.
To know that people around the world have different religions.
To talk about Chinese New Year.
To know about people who help us within the local community.
To know that Christians celebrate Easter.
To know that people in other countries may speak different languages.

At the end of the year Philosophers can...

Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class.
Explain some similarities and differences between life in this country and life in other countries drawing on knowledge from stories, non-fiction texts and (where appropriate) maps.
