Custard Toffee	Ice Cream Jelly	Ice Cream and Fruit	Chocolate Cake	Fruit Muffins or Strawberry Yogurt

Please ensure your child's meals are ordered in advance.

Wellbeing Workshops

We welcomed Gemma Howard, from the Charlie Waller Trust, into school on Thursday and Friday this week to work with our pupils and staff.

During her visit, Gemma delivered a series of age-appropriate wellbeing assemblies for all children and provided training for school staff. The assemblies helped children to develop emotional literacy, understand their feelings, build resilience, and learn practical ways to look after their wellbeing. Some of our Key Stage 2 Children received training as Wellbeing Ambassadors and looking forward to using their new skills to help other children.

Water Safety Assembly

We would like to thank the RNLI for coming in to deliver a water safety assembly this week. During this assembly the children learnt about the work of the RNLI and how they can stay safe near the water. Here are some images with some of the important water safety messages the children learnt about.

School Sprit Day

The school council have organised a special day next Friday 26th June to celebrate our school spirit and values.

Throughout the day the children will work in classes and house groups to learn more about and celebrate each of the values.

Children can dress in the school value colours (blue, yellow, purple, green) or come dressed in a costume that is inspired by one of the values:

- Teamwork
- Individual Best
- Curiosity
- Kindness and Respect

Sports Week & Sports Day

National School Sports Week is back! The YST National School Sport Week is taking place during the week of 6th – 12th July.

This year, we are very excited to be celebrating this a week earlier in the week beginning 29th June because of transition days the following week. Throughout our sports week, all classes will be participating in a variety of different sports, and we have invited different sports clubs in to deliver taster sessions.

As part of our sports week, we will also be having our annual sports day. Our sports day for all classes will be on the morning of Tuesday 30th June and will be followed by a picnic on the field which families are welcome to attend. There will be not hot meals on Sports Day, however, school packed lunches are available to order via School Gateway. These must be ordered by Thursday 25th June. If you had already pre ordered a meal for the 30th June, you will need to reorder.

Things to look forward to at Ide Primary

June	
Friday 26 th	School Spirit Day
29 th – 3 rd July	Sports Week
Tuesday 30 th	Sports Day
July	
Friday 10 th	FIS Fest
Wednesday 15 th	Chestnut Production (Matinee & Evening Performance)
Thursday 16 th	Dance Club Premier Showdown
Friday 17 th	Walkability
Friday 17 th	Year 6 BBQ and Leavers Assembly from 12pm
Tuesday 21 st	Last day of Summer Term

Term dates can be found on our website -[School calendar 2026/27 UK](#)

Supporting the school to thrive

This year's School Fete is on 10th July and we are reaching out to ask for your support with donations of raffle prizes.

The school fete is our biggest fundraising event of the year, and the money raised plays a vital role in supporting projects, resources, and opportunities that directly benefit our children. The raffle is always one of the most popular attractions at the fete and it makes a significant contribution to the overall amount raised (last year it raised over £1000).

In previous years, we have been very fortunate to receive some great prizes and generous donations from parents & carers, local businesses and attractions. However, obtaining prizes has become increasingly challenging, as organisations are receiving a very high volume of requests from charities, schools, and community groups. For example, have sent out 20 requests for donations and received no positive replies. Many businesses are no longer able to provide donations, will only donate to national charities or hold a monthly lottery to support local causes due to the volume of requests they receive.

This is where our wonderful school community can make a real difference. If you run a business (or have friends or family who run a business!) or are able to donate a raffle prize—whether it is an unused gift, voucher, experience, or something else that could be used as a prize—we would be extremely grateful.

Every donation, no matter how large or small, helps us create an attractive raffle, sell more tickets, and ultimately raise more money for the school. Your contribution could make a real difference to the success of the fete and the opportunities we can provide for the children.

If you can donate a prize, please speak to one of the committee (Jessamy, Kate, Lydia), leave it in the box in the office or email the Fis email address Friendsofideschool@hotmail.com.

We are also looking for volunteers to help run the fete. There are lots of things to do either before, during or after the event.

There is a sign-up sheet in the school foyer, or you can let us know how you can help on the FIS WhatsApp group or email friendsofideschool@hotmail.com

Thank you for your continued support and generosity. Together, we can make this year's School Fete our most successful yet!!

Community Information

A promotional poster for a charity cricket match between Devon Women and Exeter City Women. The poster features two women, one in a blue Devon Women's kit and one in a red and white Exeter City Women's kit, both with their arms crossed. The background is dark with a blue and red gradient. Logos for Devon Cricket Foundation, Exeter City FC, and MIND MND. are visible.

What Parents & Educators Need to Know about TRACKING DEVICES

WHAT ARE THE RISKS?

STALKING AND HARASSMENT

Because of their tiny size and unassuming appearance, tracking devices can easily be hidden in bags or clothing. They've been used to monitor individuals without their knowledge, with a lawsuit in the US labelling AirTags "the weapon of choice of stalkers and abusers". In the UK, use of tracking devices in coercive control and stalking cases reportedly rose by 317 percent between 2018 and 2023.

TOOLS FOR BULLYING

Tracking devices could allow bullies to follow or locate their targets even outside of school. This makes it difficult for children to find refuge, potentially extending the trauma of bullying into spaces – like home – that should feel safe and secure.

FALSE ACCUSATIONS

Because tracking devices are linked to user accounts, they could be misused to 'prove' ownership of someone else's possessions. Someone could, for example, plant a tracker on another person's belongings to falsely claim them as their own.

INVASION OF PRIVACY

These devices are designed to share location data with the user via other people's phones, which can unintentionally broadcast someone's movements without their consent. This makes them vulnerable to being monitored by strangers without realising.

DIFFICULT TO DETECT

Many tracking devices are designed to be discreet, but that also means they're easy to hide. Without proactive checking or the right tech to detect them, children and young people might not realise they're being tracked.

Advice for Parents & Educators

WATCH FOR WARNING SIGNS

If a child's peers always seem to know their location – whether in person or hinted at online – it could be worth checking for tracking devices. Some, like AirTags, will eventually make a noise if separated from their owner. Listen out for a chirping sound.

CHECK LIKELY HIDING SPOTS

Common places where trackers may be planted include jacket linings, bag seams, pockets, or under bike seats. If you find one, take a photo of the serial number before disposing of it – this could help police trace the account it's linked to.

USE DETECTION APPS

Apple devices running iOS 14.5 or later will notify users of unknown AirTags nearby. Android users can install Apple's 'Tracker Detect' or the third-party app 'AirGuards' to scan for tracking devices from various manufacturers.

HAVE THE CONVERSATION

Talk to your child about what tracking devices are, what signs to look out for, and how they might be misused. Emphasise the legal consequences of using them to prank, harass, or monitor someone.
